KIDS' TRAVEL

Fun things to do... for kids!

Ma Wan Park Noah's Ark

It is a must-see attraction for everyone. At the waterfront, the Ark overlooks Tsing Ma Bridge. Play the exciting outdoor games and multimedia indoor games to learn about the meaning of life and love.

Hong Kong Wetland Park

It is home to a big family of wildlife like birds, dragonflies, butterflies and fish. Visit Pui Pui's Home, the bird hides and the Wildside Walk for a close look at them. Then, go to the Discovery Centre to learn more about the wetland through fun games and activities.

Sai Kung Country Park and the Town Centre

It offers the most beautiful views in Hong Kong, from green hillsides to quiet forests to sandy beaches. After a walk, have a seafood dinner at the waterfront of the town centre.

Kat Hing Wai

It is a walled village full of history. Visit the old village houses and the guardhouse towers at the walls. Don't forget to try the "Poon Choi" in the village.
